The Ballinger Community Garden has rented out all of its beds for 2013. 10 beds have yet to pay with a deadline of June 1.

The Food Bank Drive netted 395 lbs of food and \$244 in cash. Our next event will be later in the year at Rite Aid in Ballinger Village. Hope Link will be asked to speak at the Council of Neighborhoods fall meeting.

Nancy Moreyra will use the public comment period at the upcoming City Council Meeting to report on follow-up items that came out of the March 11 meeting on traffic issues in the neighborhood and the eventual use of the Brugger Bog Maintenance site.

Kathy Parnell presented a 2013 budget which was approved.

Changes to current by-laws were reviewed. The most important is that the positions for Board Members at-large will become an elected position rather than appointed and will become a 2 year term. Also the Executive Board will be chosen by the elected board members.

The meeting was adjourned at 8:30 PM. Next meeting date is May 13, 2013.
